Richard-

I received the copy of the October trial list and have a question regarding the ███████████ case: What is/are the drug lab number(s) on the certificate(s) for the case? Also, I noticed that the drug case trials are scheduled to start on 10-19, so I thought I would inform you of my availability over the last two weeks of October. I am free except for the following days when I already have court cases scheduled:

Tuesday 10-20 (court in Northampton)
Wednesday 10-21 (court in Westfield)
Thursday 10-22 (court in Northampton, also court scheduled in Pittsfield)

Monday 10-26 (court in Springfield)

And just to let you know, I know that Greg Barry will also be needing me during that time (probably during the week on the 26th) for the ████████ Superior Court Case. Hope that this helps.

-Sonja
